Liberty Global plc is an international telecommunications and television company. It was formed in 2005 by the merger of the international arm of Liberty Media and UGC (UnitedGlobalCom), and is one of the largest broadband internet service providers outside of the United States. It is active in several European countries providing bundled cable television, internet and telephony services.

Liberty Global is since 2013 the world's largest international cable company, with operations in 14 countries, and 35,000 employees. As of December 31, 2013, it had annual revenue of \$17.3 billion. Its cable services pass 47 million homes, with 24.5 million customers or 48.3 million RGUs (video, internet, and voice subscribers).

Liberty Global is headquartered in London, with offices in Amsterdam and in Douglas County, Colorado.
