Onsite / Offsite: **Offsite**

Project Details: **PNBHFL** intends to drive up business volumes for both its lending & deposit portfolios. **PNBHFL** required an **Integrated Core Solution** for its functioning. The project aims **ERP Implementation** for automating all the internal processes of **PNBHFL** covering below:
Lead Management System (LMS)
Loan Organization System
Loan Management System
Collections
Deposits
Human Resource Management System
Document Management System
Integrated Accounting
Customer Service Applications

Project Title: BSBY, Rajasthan
 Client: RISL, Govt of Rajasthan
 Nature of Employment: Full Time

Duration: Oct 2017 - Till Date
 Onsite / Offsite: Offsite

Project Details: Bhamashah Swasthya BimaYojana, an initiative of the Government of the state of Rajasthan, empowers citizens to avail of Cashless Medical Treatment. The benefits of this Scheme are available to families registered under National Food Security Act (NFSA) and Rashtriya Swasthya Bima Yojana (RSBY), primarily to those incapable of paying medical treatment expenses due to unstable financial conditions.

The principal aim of the Scheme was to provide financial security against illness. To achieve this objective the Application had to operate transparently and in real time.

The success of the Application hinged on

1. A well-integrated workflow and intuitive processes
2. Easy to use service points
3. Identity checks to ensure the benefits accrue to the intended beneficiary
4. Integrity checks to guard against fund leakages

The Solution provides both Private and Government hospitals a role based login to the BSBY application. Service delivery points named as BSBY Kiosk, known as Swasthya Margda
