Summary

Results-driven Enterprise Agile Coach with a keen ability to envision global project perspectives while implementing plans within critical deadlines. Highly skilled at serving multi-faceted projects by communicating clear mission and key objectives to cross-functional scrum teams

My primary focus is on building great teams that build great organizations, inculcating agile ways of working, lean thinking, promoting innovation and help leadership transitioning through change that enables business agility.

Demonstrated abilities in establishing best practices for increased accountability, productivity, cost reduction and resource allocation. Skillful at coaching and mentoring teams at all levels towards success, growth and fulfillment.
