Summary

Performance-driven professional with over 14 years of rich & extensive experience in Strategic Project Life Cycle Management, Client Engagement and People Management across Retail, Healthcare & Supply Chain industries. Forward-focused Project & Portfolio Manager with exposure in swiftly completing projects with competent cross-functional skills and ensuring on time deliverables within pre-set cost parameters; with proficiency in Agile & Waterfall Methodologies. Proven success in taking independent ownership of all technical aspects of software development lifecycle. Growth catalyst with impressive success in implementing new ERP systems and upgraded existing ones depending on project needs. Bagged Star Performer for Management and Technical Excellence, Movers and Shakers Award for the Year 2014. An ambassador of change with excellence in gathering and understanding requirements of clients & other multiple stakeholders (at strategic and tactical levels), followed by translation into function.
