Summary

I have a total experience of 10.5+ yrs. (4 years in USA) working as a Team Lead, Techno Functional Business/Analyst or Technical business analyst and SME experienced in asp.net, c#. I have worked on multiple projects for a leading Premium Cosmetic Brand and Private Wealth Management firm in USA. I have handled requirement gathering, elicitation & analysis, BRD, FRD preparation, facilitated design discussions, Development, gap analysis, AS IS and To-BE state analysis, managed UAT and lead functional testing teams. My biggest strength is that I am a quick learner with strong problem-solving skills and do not keep any constraint of technology when it comes to solve a problem. Currently playing the role of Techno Functional Business Analyst/Proxy Product Owner in Agile development of existing application migration. Complete experience of project management and end-to-end delivery.
