Work Experience

Accenture Services Pvt Ltd as Program Manager Apr 2005 to Apr 2005

My 20 years of Project Management experience includes responsibilities such as Presales & Delivery, Software/Application/Product Development, Configuration & Release Management, Agile/ Scrum Implementation, UAT/ Automation Testing, People Development & Trainings.

I am associated with Accenture Services Private Limited, Bengaluru as Program/Project Manager.

While my resume is attached for your perusal, a list of accomplishments indicative of my experience includes:

- * Incisive acumen in leading strategy planning, delivery management, resourcing, RFI/RFPs, P&L, presales, client management, business controls, process improvements, budgeting, cost optimization by leading cross-functional teams
- * Leveraged success in spearheading entire sprint activities inclusive of sprint planning, release planning, backlog grooming, scrum-of-scrum, sprint retrospectives, sprint demonstration and coordinated for Agile adoption
- * Team-based management style coupled with the zeal to drive visions into reality

I believe that my strong background in IT combined with my extensive experience in planning, executing, monitoring, and closing a variety of projects, makes me ideally suited to this role. I am highly organised and self-motivated, have excellent communication skills, and thrive in high-pressure environments.
