Summary

A simple, humble yet awesome person with a positive attitude ;)

Looking out for new opportunities as software developer. I have 2.3 years of hands-on experience in application development, enhancement. Strong engineering professional skilled in Core Java, Python. As an Add-on to my programming skills I also have expertise in Oracle SQL, PL/SQL and SQR.

I love to code rather than build :)

Feel free to take a look at my profile.

Thanks in advance :)
