Work Experience

Inthree Access as Senior Product Manager -IT Jul 2019 to Dec 2020

Building and scaling a suite of mobile and web products to help customers make purchase, to manage distributed warehouse and last mile transportation and delivery
Managing PMs in coordination with 30+ Engineering team, Logistics and Transportation, Warehouse and other Cross-functional teams

Wekan Company as Senior Product Manager Oct 2017 to Jul 2019

Bbus: Developed a mobile and web product that allows Transportation manager, Driver and the vehicle to come together to help customers who wants to travel between Airport and nearby hotels and cities
Built Bbus.app from discovery phase through P-Mfit and scaled to 3000 active monthly users and BP 20,000 per week in revenue
Staller.com: Developed a web marketplace product that helps Equestrians to find housing for their horses during travel related to competition and shows
Accomplished the objective of scaling "Staller.com" from USD 50,000+ revenue in 2017 to USD 600,000+ revenue in 2018 and USD 5,000,000 revenue in 2019 (clocked USD 1,800,000 in the first quarter of 2019)
Stallershows.com: Developed a suite of web (SaaS), tablet/mobile applications to help horse show organizers to digitally manage multi-week show
Turned around a failed MVP into a successful product within 7 months and successfully tested for first B2B2C customer where the product is to manage 26m USD worth of horse shows.
Managed hiring decisions of PMs and Engineering team members of portfolio products.

Scriplogix Analytics as Product Manager Jun 2016 to Oct 2017

Developed a suite of web, mobile, desktop and data products that allow hospitals, care givers to digitally reach out to their patients to prevent them from falling ill again
Built a desktop application in 8 days to automate de-identification of sensitive data from Healthcare standard files and helped CXOs in key pitch
Built a suite of products from scratch and scaled it to revenue generation and also successfully conducted couple of clinical trial using those products.
