## Summary

I am an MBA (Finance & Strategy) graduate from IMI New Delhi and B.Tech. Graduate from NIT Durgapur having total work experience of 45 months. Currently working as the Lead Business Analyst for four software products at ANSR Global (subsidiary of ANSR Consulting). As developer, business analyst and associate product manager, in total I worked in the development of nine software products in various domains (HR Technology, Media, BFSI, Telecom and Retail).

## **Work Experience**

ANSR Global as Business Analyst

Feb 2020 to Till Date

(Transferred from Greyamp as a part of acquisition of a product)

Built four different products from Scratch in HR (recruitment) Tech domain, which eventually-

- \* Reduced the Turnaround Time (from job posting to offers) for recruitment from 36-39 Days to 21-25 days
- \* Reduced the ratio of Resume Shortlisted to Offered from 12:1 to 7:1
- \* Helped reducing dependency on External Vendors/partners for sourcing of the candidates Roles & Responsibilities:
- \* Conducted Lean Inceptions to Map the As-Is and To-Be process
- \* Created Value Proposition Canvas and Business Model Canvas for the product to come up with Minimum Viable Product (MMP)
- \* Did User story mapping and the Master Story list to start the product development process
- \* Worked with UI/UX designer for the product designs and did the last mile UI designs using Adobe XD
- \* Set up next-gen Projects on JIRA
- \* Implemented a Data Driven Product Management Approach for prioritization along with Poker Planning, Effort-Impact Matrix and MoSCoW prioritization techniques
- \* Implemented features only after running controlled experiments (A/B testing, multivariate testing, Logistic Regression etc.) and tracking metrics for each one
- \* Automated Performance Metrics reporting from Google PageSpeed Insights and GTMetrix
- \* Implemented a different type of Agile process for Data Science Team and set-up different board on JIRA on the same \* Worked with several stakeholders to gather requirements and subsequently create EPIC/Stories/Tasks with detailed Acceptance criteria
- \* Led initiatives to reduce AWS infrastructure cost by 17%
- Greyamp Consulting as ASSOCIATE CONSULTANT BUSINESS ANALYST Feb 2019 to Jan 2020

Worked as Business Analyst for three different products, one of which got acquired by ANSR and I was transferred to ANSR as a part of the process.
