Summary

Enthusiastic engineer seeking position that will enable me to use my strong analytical skills, data organisational skills, award-winning educational background, and ability to work well with people.

Work Experience

Avalara Technologies Pvt Ltd as Jr Technical Support Engineer Jun 2019 to Till Date

Part of the Engineering Team and reporting to Managers based at Avalara's office in Pune. In addition worked in conjunction with other teams, including other personnel from our offices across the globe. I have worked on Salesforce, API, Jira and creating the Jira tickets. I have learnt the product in first two months and performed to be the best one in the team for the Quarter June to September 2019. Received the spot award for the same.

Contact: Manish Kumbalkar - Manager Product Support
