### **Projects**

Project Title: Email Automation Service

Client: Internal

Nature of Employment: Full Time Duration: Apr 2020 - Sep 2020 Project Location: Bangalore Onsite / Offsite: Offsite

Role: Sr. Programmer Team Size: 10

Skill Used: Aap.net Core 3.0, C#, SQL, HTML, JavaScript, Python 3

Role Description: Developer primarily working on the user end of the application

Project Details: The project utilizes the machine learning component of python by creating data models out of existing customer service or hr emails from the exchange server and then provides option to the end user to create custom templates to respond to them. Worked on the front end as well as the back end to the extent of developing web api that interacts with machine learning modules.

Project Title: CMR Client: Internal

Nature of Employment: Full Time

Duration: Apr 2020 - Jul 2020
Onsite / Offsite: Offsite

Project Details: Trained on the technology of the CMR and QueenBot tools and developed automated solutions for the

clients.

Project Title: Network Assurance Portal

Client: Internal

Nature of Employment: Full Time Duration: Mar 2019 - Nov 2019

Role: Sr. Programmer Onsite / Offsite: Offsite

Team Size: 5

Skill Used: Asp.net MVC 5, C#, SQL, HTML, JavaScript, Bootstrap

Role Description: Developer , Requirements Gathering, Testing and Documentation

Project Details: In order to migrate the MPLS WAN to the SD-WAN, the network practice team needs to have an inventory of all the sites for the organization, the devices involved, the hands and feet support as well as the site classification and prioritization.

The application aims to not only consolidate this information but also provides modules for job assignment, resource management, ring creation as well as a dashboard for monitoring the project progress.

The features also include AD integration and Ansible integration so that the network performance from the various sites can be captured and displayed on the application.

#### **Affirmative Action**

Physically Challenged: No

#### **Work Authorization**

Job Type: Permanent

Employment Status: Full time
