Work Experience

VirtusaPolaris as Consultant

Nov 2020 to Till Date

CSS Corp as Senior Engineer- IT

Apr 2020 to Oct 2020

Client: Estee Lauder Companies

Summary: Working on virtual try on project in an ecommerce platform where users can try products such as lipstick and foundation virtually before buying it.

My role

Part of the UI Dev team, performing the API integration with back-end and contributing in implementation of the VTO with Youcam.

Recrosoft Technologies as Front End Developer

May 2019 to Apr 2020

Client: Music Pandit

Summary: It is a subscription-based web application to learn and get certified in multiple vocal and instruments courses. The product has mainly three parts; user, evaluator and admin. User can enroll to the web application which offers guided video lessons, quizzes, practice routines, and Q&A. Admins manage the application and data via Admin Panel. My role:

Part of the front-end developer team building the whole UI side of the application. I was mainly involved in building the complete CRUD functionality with Search and Upload/Download features on both User and Admin side. I was also

involved in performing the API integration with back-end.

Technology: React JS, Redux-Saga, JavaScript/ EMCAScript 6, CSS, HTML5

IPSoft Global Services as Associate Engineer

Feb 2017 to May 2019

Client: McKesson

Summary: McKesson is a Cancer Care facility which provides healthcare services, medicines and supplies. We build an application where users can register/login and book appointment, check their health history, check-up details, ongoing medications and treatments, available doctors and their details, etc. Doctors/Consultants view patient's data, and provide feedback to them.

My role:

I was a part of the front-end development team and was involved in building the UI side of the application and Also contributed to UX enhancements/suggestions as and when was required.

Technology: React JS, JavaScript, EMCAScript 6, CSS, HTML5

Education

UG: B.Tech/B.E. (Computers) from Radharaman Institute Of Technology and Science in 2014
