Work Experience

NTT DATA as Senior Analyst
May 2020 to Till Date

TechMahindra as Software Engineer
Jan 2016 to May 2020

Professional Experience:
Project-1-
Currently serving and have been working for past 2 years as a critical Off-shore resource of the development team which works for US Conglomerate General Electric (Health Care and Aviation divison). I stand responsible for successful development, deployment and implementation of complex user requirements using Dell boomi IPAAS.
Certified Application and system integration developer using Dell boomi Atomspehere platform. Experience with application and data integration patterns including Batches and Real-time/streaming interfaces.
Experience in integrating with SFTP/FTP servers, Oracle and other Databases, SOAP/REST web services. Gathering of requirements from functional owners and analysis of technical and functional feasibility. Preparing high level design documents, mapping documents and constant coordination with user and dependent teams to ensure smooth delivery.
Preparation of failure model, debugging, unit testing,efficiency analysis, testing with different test cases and error handling for the same.
Providing production support.
Skills & Technologies Used: Dell boomi Enterprise Data & Application Integration Platform, Javascript, SQL,

REST/SOAP/Web services, Postman etc..

Project-2-
Prior to GE I was working for another US Oil & Gas giant Chevron Inc. I worked as an ETL (Primarily)/Reporting developer. My role included the following responsibilities.
Analyse, design, develop and implement the new requirements given by users using Talend and Tableau. Identify and test for bugs and bottlenecks in the ETL solutions and do production support.
Monitoring of JOBs using the TAC console.
Gaining basic Big Data concepts and using various components of Big Data available in Talend. Debugging Report issues.
Working closely with business stake holders and other IT teams.
Skills & Technologies Used: Talend,SQL/PL SQL, DWH, Oracle,Greenplum/Postgresql, SQL Developer, MS EXCEL

Skill Sets:
Dell boomi
Javascript
REST/SOAP/API/Webservices
SQL/PL SQL/PostgreSQL
ETL Frameworks/Talend/Talend Big Data Suite Data-warehouse

Certifications
Dell Boomi Associate Developer -1
Dell Boomi Associate Developer -2
