Skilled professional with 1 year of experience in Software Development,Application Programming,Coding,Web Development,Requirement Gathering,Software Testing,Application Support,HTML,Javascript,CSS,Python,Django,User Interface Designing,Java SE,Linux

Work Experience

Tata Consultancy Services as Assistant System Engineer
Jul 2019 to Till Date

I have been associated with Cisco for the past year. I developed a web application using ReactJS framework in my organization (Cisco) which helped the client to view changes even when their tools were down.
Ported it as a windows desktop application using ElectronJS for better use and reach.
