Work Experience

◉ **Campus Management International** as Software Development Manager & Scrum Master -Dot Net
Feb 2019 to Jan 2020

Worked as SDM Software Development Manager Plus Scrum Master at Campus Management International, Bengaluru from Feb-19 to Nov-19
Lead a Team of the product - Campus Nexus Student International (CNSI) handling the Development Activities along-with managing the Agile Scrum process of the team.
Was also responsible for the Continuous Delivery(CI) and Continuous Integration(CD) taking care of the DevOps Build Processes of the product.
Plan and schedule the Product Releases to Customers for the Product.

◉ **NESS Technologies** as Technical Project Manager and Scrum Master
May 2014 to Jan 2019

Worked at Ellucian Higher Education Systems client office since June-2015 to Jan-2019
Collaborate, facilitate, lead the team for developing fund-raising software product for this major provider of Educational Software Products for Universities and Institutions worldwide.

Responsibilities:
Managing large-scale product involving the transition of programs to off-shore and handling complex applications for clients with their evolving business needs.
Enact change and continuous improvement increasing productivity of team by ensuring quality.
Protect team from over-commitment, manage backlog, prioritize resolution of defects/risks.
Manage the life-cycle of code development, from ideation to sprints to release deployment.
Coordinate and manage code releases and handle the Builds periodically.
Engage with Product Owner, management and support specialists on the product issues or risks.
Plan, Execute, Track and Communicate team release progresses.

Other Product Teams worked at Ness Technologies from 2014 to 2015:
Product: Platt's Price Reporting Platform Workbook Development

Client Name: McGraw Hill Financial, New York, USA (Dec-2014 to May-2015)
Product: MIler Electric - Master Data Management (MDM Domain Systems)
Client Name: Riversand Technologies, Bengaluru (2-May-2014 to 30-Nov-2014)

- **Unisys Global Services India** as Senior Technical Lead/Scrum Master
  Oct 2007 to Dec 2013

Clients worked with Unisys over the 7 years from Oct-2017 to Dec-2013.
Michigan MSCAO, Lansing, USA (6 Months Worked at Lansing, MI)
Courts Management System and Application Development.
California State County:
KCCMS-KERN County Collection Management System.
US Banks and US Portals:
Remittance and Lockbox Application System (Cheque Reader
Software's Development & Maintenance)
British Mortgage Banks: Lloyds Banking Group, HSBC, Barclays Bank.
UFSS Non-Linc Mortgage System for major British Mortgage banks.

Accomplishments:
Conceptualized and created an Automation Tool from scratch using the Microsoft
Coded UI Editor with our team to cut down the Manual Regression Tests for
every build(s) testing.
This tool helped to cut cost for the product manual testing time and efforts.

Responsibilities:
Organized and facilitated sprint planning, daily stand-up meetings, reviews, retrospectives,
release planning, demos and other Scrum-related meetings.
Instructed and modeled core Agile principles of collaboration, prioritization, team
accountability and visibility; ensured consistent application of scrum methodologies
Assisted team with making appropriate commitments in story selection, sizing and tasking.
Participated proactively in developing and maintaining team standards, tools and best practices
reducing development time.
Handle TFS Builds and create .msi Installers handling the product release management.
