Summary

Diligent Technical Program Manager with more than 16 years of experience including 6+ years of onsite experience (USA) with deep expertise in Program Management, Architecture, Development & Support in products & various domains.

Work Experience

⦿ **ProKarma** as Technical Manager
Jul 2019 to Till Date

Title: Telehealth Program Client: Kaiser Permanente
Role: Technical Program Manager Infrastructure: DevOps, Docker, API Manager, Spring Boot,
Angular, iOS, Crucible, Splunk, Jenkins, GIT
Description: Kaiser Permanente is the largest healthcare in the United States. As part of telehealth program, I am leading Clinician Connect, Video Visits & Telehealth Admin Portal projects.
Responsibilities:
Responsible for end to end delivery of all Telehealth Program applications.
Involved in various design, code reviews & proposed solutions.
Worked on various proposals & budget forecast.
Monitor all sprint ceremonies & track status in Rally for all agile projects. Estimate capacity for each sprint. Improve team performance. Share metrics to leadership.
Liaise with project stake holders' ongoing basis to discuss project status, risk and mitigation plan.

⦿ **Cognizant** as Technical Project Manager
Jun 2007 to Jul 2019

Title: Middle Market Insurance Client: Hartford-Insurance
Role: Technical Portfolio Manager Infrastructure: DevOps, J2EE, WebLogic, Oracle, Jenkins

Description: As part of Hartford MM portfolio, I managed development & maintenance projects for all 3 applications (Consolidated Underwriting Environment, Quote Marine, Large Property and Pace).

⦿ **Accenture** as Software Engineer
Oct 2004 to Jun 2007

Title: Enterprise Application Password Management (EAPM) Client: CareFirst-BCBS
Role: Architect Infrastructure: CyberArk Vault, IBM WebSphere Portal 8.5,
J2EE, Maven, Splunk, Dynatrace, MyEclipse.
Description: Enterprise Application Password Management (EAPM) project was initiated in response to the increased potential security threat to CareFirst systems. The scope is to integrate New CyberArk security vault with all enterprise applications to provide security to all services

Education

UG: **B.Sc (Computers)** from **Nizam College, Hyderabad** in **2009**

PG: **MCA (Computers)** from **Indira Gandhi National Open University (IGNOU)** in **2005**
