Projects

◉ Project Title: Business as Usual
Client: Bupa
Nature of Employment: Full Time   Duration: Dec 2014 - Till Date
                                                    Onsite / Offsite: Offsite
Project Details: Sitecore 8.2, ASP.Net MVC, C#, MS SQL Server 2012, AZURE Cloud, Team city, Octopus
A long term project with scope to implement Business as Usual, a stage when the solution has gone live, but changes
are expected to be done in production environment. By using Sitecore Platform, changes could be executed fast, but
needed the input, for a few cases, from the development team. The changes executed were changing logic, the look & feel
of a module, replacement of complete module sometimes, complete change in functionality etc.
