Summary

To pursue a career in an organization where I can contribute my skills and experience to achieve the organizational objectives and my career growth simultaneously where there is ample scope for an individual as well as organization to grow.

Work Experience

Saka Fellowship as Saka Fellow
Oct 2020 to Till Date

I am working as a mentor for junior RPA developer

Accenture as Application Development Analyst
Jan 2018 to Jul 2020

Worked as a RPA Developer in UiPath Automation tool.
Automated end to end three use cases as per the client requirements which were repetitive task for the team, using RPA tool (UiPath), which leads to executing the tasks without human intervention with less time duration.

Worked as a Production Support Analyst with Accenture, Hyderabad. My job profile includes assisting Accenture clients in designing their production environment.
