Work Experience

◉ **SmartCirqls Infotech Pvt. Ltd** as Director of Engineering (Platform & Products)
May 2019 to Till Date

A Strategic and Hands-on Leadership role defines me at SmartCirqls, a Big Data Analytics Solutions Provider
SmartCirqls has strategic partnership with platforms from Splunk, Elastic, MicroStrategy, ASG ECM, Lucidworks and expanding to AWS, Azure, Google Cloud with the upcoming Platform and Product Portfolio
My key job responsibilities include but not limited to: Platform Design, CIO Advisory, Portfolio Management, Enterprise Architecture, Technology Innovation, Transformation, Accountability of Research and Development
As an Engineering Director (Emerging Technologies), me and my team built a Cloud based Platform that processes several data sources completely based on the REST APIs, SDK in secured, encrypted way. PLEASE SEE MY RESUME attached with the Profile
