Work Experience

◉ **EACIIT Vyasa Pte. Ltd.** as Senior Business Analyst
Oct 2015 to Till Date

As a Program Manager/Senior Business Analyst worked with Client, Development and Delivery teams spanning across Singapore (1.5 years), Indonesia (3 years) and India (0.5 years), with primary responsibilities as below.
* Develop solutions for Fortune-500 clients from Oil & Gas, BFSI, Manufacturing and HCM Industries, targeted for Senior Management to enable following use-cases (to highlight a few):
- Big Data Solutions: Involving high variety, velocity, and veracity of unstructured data from multiple source systems
- Visibility across the Business: Single view of performance/customer across all Businesses, Countries, Functions, Products
- Performance Improvement: Enhanced earnings and cashflows, Client experience, CRM analytics, Risk mitigation, Financial frameworks
- Innovation, Change Management: New ideas and collaboration, Digitization of initiatives
* Data-analysis to identify key industry KPIs and propose solutions
* Detailing Business, Functional and Non-functional requirements with project stakeholders
* Translate requirements to development team and tracking progress
* Review meetings with SMEs, Product Managers, and clients to ensure strict adherence to key project objectives
* Managing scope of work and backlogs, steering project releases from scope definition to UVT sign-off
* Working with client teams to steer change management within organization to adapt and transition to digital solutions through ACE approach (Measure Adoption, Collaboration, Effectiveness)

◉ **Accenture Services Pvt. Ltd.** as Software Engineer
Jan 2013 to Sep 2015

Worked on 2 accounts (Canada based Telecom and US based Financial Services clients) with primary responsibilities as following:

* SME of a front-end application, responsible for conversion of business requirements to functional requirements, development, and release management.

Education

UG: **B.Tech/B.E. (Electronics/Telecommunication)** from **Jaypee University of Engineering and Technology, guna** in **2012**
